Subject: RE: MEW five-year review: need Word version of yourcomments memorandum to cut'n'paste into the FYR

Just found out from Kristina (our OM) that she sent you a copy to use this morning. I only have the draft version I wrote on my laptop – it doesn't contain the changes made by management. Kristina sent you a non-pdf version with management's changes incorporated on letterhead. Let me know if that doesn't work for you, or if you need something else.

I'd appreciate not having to re-type everything...

Thanks!!
